SUSPENSION: Upper and lower control arms and bushings; ball joints; leaf, air and coil springs only if broken.

STEERING COMPONENTS: Power steering pump/motor; gearbox; rack and pinion; and high-pressure lines. *Steering box, rack and pump housing only if damaged by a lubricated part internal to that component.*

BRAKE COMPONENTS: Power brake booster; master cylinder; wheel cylinders; calipers; ABS hydraulic components; proportioning valve; ABS wheel speed sensors; and ABS control module.

ELECTRICAL COMPONENTS: Starter motor and solenoid; alternator, voltage regulator, and mounting bracket; front and rear window wiper motor; electric cooling fan motor; distributor; ignition coils; power window motors/regulators/switches; power seat motors; power seat track assembly; power door lock actuators/switches; power trunk or tailgate actuator and motor; power sunroof motor; convertible top lift motor/pump; power mirror motors; all manually operated switches; ignition control module; and cruise control assembly.

AIR CONDITIONING & REFRIGERANT: Compressor; clutch; pulley; mounting bracket; condenser; accumulator/receiver drier; and evaporator. *Refrigerant is only covered in conjunction with a covered repair.*

FUEL: Fuel pump; fuel injectors; fuel injection control module; lift pump; transfer pump; MAP/air charge temperature sensor; intake manifold pressure sensor; and throttle position sensor.

SILVER Coverage

ENGINE: Cylinder block and all internal parts; cylinder head assemblies; timing case/cover, timing chain, timing belt, tensioners, gears, sprockets, and guides; serpentine belt tensioner; vibration damper; oil pump; intake manifold; flywheel with starter ring gear; core plugs; valve covers; oil pan; factory-installed turbocharger/ supercharger including internal parts and wastegate actuator; oxygen sensor; mass airflow sensor; EGR valve; crank sensor; and cam sensor.

ENGINE COOLING SYSTEM: Water pump and housing; fan clutch; thermostat; radiator; heater core and recovery tank.

AUTOMATIC TRANSMISSION: Transmission case and all internal parts; bell housing; transmission pan; torque converter; drive/flex plate; transmission range switch; speed sensors; pressure sensors; PRNDL position switch; transmission control module; valve body; mechatronics unit; conductor plate; servo assemblies; and transmission cooler; and reprogramming/re-flash up to \$150 per authorized claim. *Transmission case bell housing only if damaged by a covered component internal to the transmission/ transfer case housing.*

MANUAL TRANSMISSION: Main shaft; counter shaft; all gears; chain; input shaft; hub assemblies; synchronizers; shift rails; shift fork; and internal transmission bearings. Lubricated parts contained within the transmission case housing. *Transmission case only if damaged by a covered component internal to the transmission/transfer case housing. (Manual transmission clutch parts are not covered at any time.)*

FRONT WHEEL DRIVE: Transaxle case and all internal parts; axle shaft assemblies; constant velocity joints and boots; differential cover; transaxle speed sensors; transaxle solenoid assembly; transaxle electronic controller; and wheel bearings/hub assemblies. *Transaxle case only if damaged by a covered component internal to the transaxle case housing.*

ALL WHEEL DRIVE: Power transfer unit and all internal parts; viscous coupler; axle housing and all internal parts; constant velocity joints and boots; drive shaft and axle shaft assemblies; differential carrier assembly and all internal parts; output ball bearing; output flange; end cover; overrunning clutch; vacuum motor; torque tube; pinion spacer and shim; and wheel bearings/hub assemblies. *Power transfer unit case only if damaged by a covered component internal to the power transfer unit housing.*

REAR WHEEL DRIVE: Rear axle housing and all internal parts; axle shafts; axle shaft bearings; drive shaft assemblies; drive shaft center bearings; universal joints and yokes; and wheel bearings/hub assemblies. *Rear axle housing only if damaged by a covered component internal to the rear axle housing.*

FOUR-WHEEL DRIVE (4x4): Transfer case and all internal parts; transfer case control module and shift mode motor assembly; axle housing and all internal parts; axle shafts; axle shaft bearings; drive shafts assemblies (front and rear); drive shaft center bearings; universal joints; 4x4 hubs; yokes; wheel bearings/hub assemblies; and disconnect housing assembly. *Transfer case housing only if damaged by a covered component internal to the transfer case housing.*

FLUIDS: Fluids are covered only when required in conjunction with a covered component.

SEALS & GASKETS: Seals and gaskets are covered for leakage failures as they relate to any listed covered component for vehicles with less than 125,000 miles at the time of the claim. Leakage is defined as an actively dripping seal/gasket. Seepage is not covered and cannot be claimed under this Service Contract. Seepage is defined as a wet seal/gasket. For vehicles with over 125,000 miles at the time of claim, seals and gaskets are covered only when required in conjunction with a covered component. *Cylinder head gaskets are covered only for combustion and coolant leaks. Intake manifold gaskets are covered only for coolant leaks.*
